ORAMA TECHNOLOGIES

ABOUT US

***Orama Technologies* is a multi-platform development/publisher company created in 2006, incorporated in Gibraltar.**

Our primary work areas are mobile and web content development/publishing. We produce both games and applications, either created by us or on request of a third party (outsourcing, branding, etc). In addition, we also produce other types of mobile content (such as wallpapers or themes), along with theme/location based websites (which maximize advertising benefits). Finally, our team can also perform translation/localization tasks, as well as consulting, in engineering (computer and aeronautical), accounting and economy.
